

Children's Footwear Promotion

*Making it Easier for
children to take
their first steps
towards
Better Health*

Special Benefits for Children

Kids should learn the importance of good footwear and proper foot health early. They will remember these lessons for the rest of their lives.

- We carry Brooks athletic shoes for children from age 3 to teens.
- We also carry Thorlos socks and OTC inserts for children.
- We offer **FREE foot evaluations for children** - they love it!
- Plus we offer **FREE Fit-Checks for the life of your children** when you buy any of our children's footwear.

After your first purchase of children's footwear you will save 10% on all future children's footwear purchases. That includes children's shoes, inserts and socks!
